What is MCE?

- **NGO/ NPO to organize workcamps and other voluntary projects in Mongolia**
- **Full member and Treasurer of NVDA (Network for Voluntary Development in Asia)**
- **Partner of ALLIANCE, SCI and YAP**

1) Brief History

When: MCE was established on January 11th, 2001 by an individual who had participated in the 3rd Training & Networking Workcamp of NVDA in Vietnam.

Why: Before 2000, there were no workcamp organizations or international voluntary service in Mongolia. However, there was much need for international voluntary projects to improve a Mongolian society. Through practical work projects, MCE hopes to encourage public awareness of Mongolia's social problems and promote local actions.

2) Aims

a) To create/ develop/ revive ecological, self sufficient and warm-hearted civilization.

We promote exciting voluntary actions by fresh ideas and mobility as a youth NPO, to shift the world with too much competition and expansion into more healthy one for both nature and people.

b) To encourage activities of NGO/NPOs and activation of local communities

We create opportunities to meet new people and to start new actions by involving many locals. We make bridges between isolated NPOs and local people, and invite youth to depopulated areas.

c) To promote global friendship, understanding and solidarity

We grow exchange naturally among world youth and local people through living, working, talking and laughing together. They can improve global views/ sensitivity and language/ planning skills.

3) Activities

- a) To organize international workcamps in Mongolia with local partners and people
- b) To send volunteers from Mongolia to workcamps
- c) To develop various networks of NGO/NPOs
- d) Promotion of NVDA common actions in the national and international level

b) Project cost (food, accommodation, transportation etc.) of international workcamps in Mongolia is prepared by the fees from volunteers too.

Mongolian workCamps Exchange is always looking for good relations between

youth organizations in the international and regional level

International workcamps by MCE

1) Introduction

We welcome you to join our workcamps, **sharing happy time and creating fresh new age together!** All campsites have nice nature, **blue sky** and warm people, so you will discover **nomadic life & culture** of Mongolia.

The common points of all workcamps are such as follows;

- a) **Age limit** : From **18** (No maximum)
- b) **Language** : **English** (Mongolian is not necessary, but we welcome your trying!)
- c) **Insurance** : We provide small insurance **only for accidents during workcamps in MONGOLIA.**
- d) **Accommodations:** Mostly, we use GER (Mongolian traditional tent) or Summer cottage. For all the projects in Ulaanbaatar volunteers will stay at apartment. There're kitchen and toilet. For the all workcamps in Mongolia volunteers need to bring Sleeping bag.
- e) **Study Part** : All workcamps have it to learn, discuss and plan better local/ global future!

2) How to apply and join the projects!?

A: Applying through the partners!!

Volunteers have to apply **not directly to us, but through our partner Workcamp Organizations (WOs)** of their own countries **unless you live in Mongolia or in countries that have no partners.**

In this exceptional case, they need to send the application form to MCE.

B: How much should volunteers pay?

Volunteers have to pay the travel cost to/ from workcamps & the following **registration & participation fee** to partners & to MCE.

Since this year we will provide again free pick up service from airport or train station for the all the volunteers of our workcamps.

- a) Partner WO's charging some registration fee from sending volunteers : **This depends of each partner ***
- b) Participation fee to MCE
(2 weeks project) : **320,000 tugrug** per a workcamp (around 175 Euro by Mongolian bank rate on 07/Nov,2010)
(a week project) : **230,000 tugrug** per a workcamp (around 125 Euro by Mongolian bank rate on 07/Nov,2010)

For all the workcamps in Mongolia, we will provide free pick up service for volunteers from the airport or train station.

Also we will provide free transportation to/from workcamp site for the first and last day of the workcamp.

* Most of Asian/ European/ North American partners are

C: The detailed information of the project

By **1-2 months before** the projects, volunteers will receive **"Information Sheets"** (details of the project, what to bring, the meeting point, how to get there, etc.) together with **"Acceptance Letter"** and **"MCE Volunteers' Guide"**, through the partner organizations.

D: Book the flights as soon as being accepted!

Don't wait for the Information Sheets, otherwise you may miss economical flights!

Once again for the all workcamps in Mongolia, we will provide free pick up service for volunteers from the airport or train station. Workcamps start in the morning of the first day. And they finish in the afternoon of the last day.

So, we advise volunteers to arrive / leave Mongolia **at least a few days before/ after** the projects because volunteers should not expect so much sightseeing during the projects. (if you want to do it, please do it before/ after the workcamps!)

And it is **quite possible to stay in the cheap guest houses** (6-8\$ per night) together with volunteers in the same workcamps before/ after the workcamps! (For the details, wait for the info.sheets!)

Facilities and living space are limited. The main concern is food and education facilities. As they rely heavily on fundings from the government. Some small plots of land are available for the Centre to cultivate vegetables to feed the kids in the place which is called **Buhug river**. The elder 30 kids of Orphanage who are between 12-16 years old work there during the 3 months of summer. They produce vegetables such as carrots, radish, onions, etc. just enough for their meals all year (they keep it 4 meter under the ground for one year that is a quite magic!) The vegetables are very purely organic and very tasty and kids are very nice! Since 2000, volunteers from all over the world have been participating in summer programs designed to improve the kids vegetable farm. Volunteers will help out in the vegetable farm.

W: We will work together **with the orphans aged 12-15 to remove the weeds in the field.**

Quite tiring but **let's enjoy it** with them! Around 30 kids come here during the summer holiday of them which is between June to August. Main work of volunteers are to help Orphanage's vegetable farm. Weeding wild plants, watering the farm and trees etc. Also someday volunteers will organize sports and cultural activity with children. Such as play games, party etc.
